

**Get Healthy CT
Speaker's Bureau Form**

Get Healthy CT has a Speaker's Bureau from various local partner organizations dedicated to promoting healthy lifestyles and presenting on healthy topics. We are asked from time to time to provide a presentation to audiences in the community. Please complete this form if you are interested in participating on the newly updated Speaker's Bureau list on the Get Healthy CT (GHCT) website (www.GetHealthyCT.org). The purpose of this list is to highlight each member organization's ability to provide presentations about different health topics as a way to educate our communities about living healthier lifestyles and making healthy choices.
