

Do you want to start a garden at home but don't know where to start?

Gardening Kit Lending Program

The Stratford Health Department has partnered with the Stratford Library to offer a Garden Kit Lending Program. Families can rent a bag full of garden supplies, seeds, resources, recipes, and more to help start your own at-home garden!

Kits are available to rent from the Stratford Library Children's Department located at 2203 Main Street, Stratford, CT 06615.

For questions about the Garden Kit Lending Program, please call 203-385-4164.
